FRONT-END WEB DEVELOPER

PROFILE

Hello, I am Piyush Kumar. A Front End Web Developer based on Bihar, India. I am a hardworking and ambitious individual with a great passion for the transport and logistics industry. I am currently in my second year of studying BCA at Chandigarh University. I have excellent communication skills, enabling me to effectively communicate with a wide range of people. I am seeing a part-time position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organisation that I work for.
